ABOUT COLE'S CONFECTIONS LLC

I have dreamed of starting my own cake business since I was in high school. That dream became bigger when I became a certified cake decorator at Wilton headquarters in Illinois. I've taught culinary arts and my passion for cakes in two high schools for over 13 years! Unfortunately, I was diagnosed with May Turner Syndrome which has slowed my dream but not burnt out my desire to own and operate Cole's Confections LLC. My three children Ashlynn, Gavin, and McKenna are my world and my biggest supporters of my biz! I'm excited to share my over 200 flavors of cheesecake with MN and surrounding areas
